### Weekly Sport Round-Up

Term 2: 23-26 May 2018

**H Highlights this week were College's performance across a range of sporting codes, including excellent results in cross country, soccer, table tennis and hockey. In addition, a number of our boys have been selected for KZN teams this week.**

The top result of the week came from the soccer 1<sup>st</sup> team who have advanced to the final of the Pmb cup after beating Alex on a penalty shootout.

College's #RedBlackWhite teams continue to produce excellent results in the Midlands Cross Country league; and are now leading the league dominating in both senior and junior divisions.

Eight of the RedArmy hockey teams played against Clifton in mid-week fixtures, winning 7 of the games and drawing one.

On the rugby front, three of our teams played and convincingly won games against Carter mid-week. It was a free weekend for most of the rugby teams, after a number of boys took part in first round of Craven Week and Grant Komo trials held at College. Following these trials, 24 College boys were selected to go through to the final trials, and 16 boys have been selected for KZN teams.

There were also good results for the table tennis teams winning all 12 of their games, as well as for the cycling and squash teams.

### Hockey 1<sup>st</sup> XI Match Report

*(Director of Hockey & 1<sup>st</sup> XI Coach: Dylan Coombes)*

S Wednesday 23 May saw Clifton make the trip up to Maritzburg College for a midweek fixture on Pape's. The Clifton side being well drilled with some respectable results this season were always going to make for challenging opposition.

The match started with a high intensity and furious pace with some end to end hockey which saw College dominating the early exchanges. They were however made to pay later for missing a number of good goal scoring opportunities in those early exchanges. In the 22nd minute College won themselves their 5th penalty corner, unable to convert the previous 4. This time however some clever interchange between Cameron Hollaway and Mpumelelo Maphumulo on the variation saw Maphumulo fire home and open College's account.

College continued their dominant spell but could not extend their lead and went into the half 1-0 up. The second half started in much the same manner as the first where it was composure and control from College with all the possession and countless penalty corners but seemingly lacking form in front of goal. It was only a matter of time with College pushing hard to extend their lead that they would grant Clifton an opportunity at the other end. A quick restart from Clifton saw the ball move swiftly out to the right hand flank where some good skill saw the forward break infield toward the circle. Still under pressure he flipped the ball into the College circle where the Clifton forward was first to pounce and finished to level scores at 1-1.

With 12 minutes still to play College continued their onslaught but struggled to take the lead again. Two goals were disallowed when in once instance the ball was judged to have crossed the baseline a moment before crossing the goal line and the other obstruction on the 1st wave runner before finding the back of the net. The game ended at 1-1 - a frustrating day for College where squandered chances early on came to back to bite them. College look forward to a much anticipated KZN Inland encounter when they make the quick trip up to Michaelhouse this weekend.

Summary of results: Played 8, won 7, drew 1

#### Cross Country

Wednesday afternoon saw College boys compete in a challenging sixth Midlands league cross country race held at Linpark. 21 College senior boys competed, taking 5 of the top 10 positions. In the Junior Leagues, for the sixth consecutive week, O Higgins and S Harvey maintained their first and second positions. Seven College boys competed and finished with five places in the top ten

The senior boys ran a course of 8.4km and first College boy home was Msiya Ngqibelelo in a time of 32:49 in 3<sup>rd</sup> position. David Evans came in 4th and Thomas Ross finished in 6th position. College holds onto their lead in the league. The junior division was run over 4km. Once again, our juniors had five finishes in the top ten and are dominating the school leaderboard.

### Soccer

Friday afternoon saw the semi-final of the PMB High Schools' 2nd Term League, take place at AB Jacksons. Maritzburg College hosted Alex High, a repeat of the group game that took place a week prior, which saw College coming out 2-1 victors. Both teams came into the game wanting the win and played in exactly that manner.

The first goal came from an Alex counter-attack, resulting in their captain, Zulu, scoring. The rest of the match played out in an end-to-end fashion, until the last kick of the game, where College midfielder, Hlubi, stepped up to take and duly finished a free kick into the top corner of the net, meaning that the game would go to penalties. College's first penalty was missed, allowing Alex to score theirs and take the advantage. A round of penalties were slotted and then Alex put one against the upright, followed by another that was saved by College keeper, Zondi. College goalscorer Hlubi stepped up to take the final penalty and sent the keeper the wrong way, simultaneously sending the home crowd into raptures.

After drawing the game 1-1, College won 4-2 on penalties. The second semi-final takes place at Woodlands Stadium and will be Haythorne vs Carter.

### Squash

College's 2<sup>nd</sup> team played Voortrekker 1<sup>st</sup> team and won 9 - 2
