Weekly Sport Round-Up Term 1 – 2-4 March 2018

As the last curtain falls on the first half of the 2018 Summer season, College is looking back at a very solid week's performance in the sporting arena.

Most of the school fixtures were against Glenwood. College has enjoyed many a tough encounter with the Umbilo giants of recent years. Stand-out results were the cricket scores, where College won all 19 of the games! Whilst the statistic is one to be proud of, it is of course important to recognise and acknowledge the boys who diligently train week in and week out to produce such positive performances, as well as the coaches and parents who have supported them. The 1st XI continued their dominance with a clinical 6 wicket win, and has impressed this year so far.

With only a few basketball games against Glenwood, College walking away with all 5 wins on the day. A number of filler fixtures were played against Treverton, Carter and Scottsville, and College enjoyed positive results with a number of wins against higher opposition teams.

Our Golfers deserve a special mention and continued their dominant show of form ending the 1st term unbeaten with convincing wins by both the 1st and 2nd teams against St Charles and Michaelhouse.

Once again the College paddlers, particularly the seniors, were in top form at the Bushman's River Race, with the school claiming all top-5 spots in the U18 section as well as 1st and 4th places in the U14 section. On the Waterpolo front, results were mixed against Glenwood with the 14A and 16A recording confident wins on the day. This past weekend saw three of our teams (1st Waterpolo, 1st Basketball, U14A Waterpolo) take part in Festivals in JHB. Whilst all three teams saw mixed results, the boys represented well and showed strong resilience and determination in competition. These events provide our boys with valuable exposure and experience.

The pick of the week's performance was from our U14B cricket team, who, in chasing Glenwood's 78 all out, scored the required runs in just 4 overs with no wickets down! A rate of 20 runs an over is certainly no mean feat!

Our focus now shifts to the Winter season with Rugby and Hockey dominating many of upcoming fixtures. Friday night saw the Open XV lose narrowly to Westville 14-12 while the U16 XV had a good win against Voortrekker (54-5) in the next round of the Voortrekker Night Series. We look forward to this shift of season and will, no doubt, feel the #RedBlackWhite pulse of the school beat a little faster.

Maritzburg College end season with an impressive win against Glenwood

College 1st XI finished off an excellent first half of the season with an impressive 6 wicket win at Glenwood. Losing the toss and being asked to bowl first was exactly what College wanted and were absolutely clinical in the bowling department with Hollaway and Khumalo leading from the onset, and striking early as usual, reducing Glenwood to 2 for 1 run after 3 overs. Glenwood were never allowed to get going and were found wanting at 20 for 4 in the 13th over, which escalated to 30 for 7 in the 19th over. After drinks, Glenwood came out “guns blazing” and played some attacking cricket by going over the top to anything full, and were eventually bowled out for 74. The bowlers were exceptional, bowling in tandem, and never allowing partnerships to develop.

College got off to a comfortable, but rather slow start, with the outfield being unbelievably slow, and were 23 for 1 after 19 overs. When Glenwood struck twice in one over to reduce College to 31 for 4 after 29 overs, there was some concern in the ranks, especially after Glenwood bowled 7 maidens in a row. However, the cool head of captain Bradford, joined by the expansive hitting of Noble, finished the game off in style with an attitude of “what was the concern, gentlemen!”

Glenwood 74 all out. Elliott 3/11, Hollaway 3/12 and Khumalo 2/7.
College 75 for 4. Noble 27no and Bradford 16no.

College won by 6 wickets.
