Rugby Report for Hilton

(1st Team Coach: Tim Orchard)

This weekend saw Maritzburg College take on Hilton College, our oldest rivals, in a full round of rugby and hockey fixtures. College fielded 20 rugby teams against Hilton, and in the rugby, it was Hilton that prevailed in the FNB Classic Clash 1st team game, winning 29-18, although College enjoyed the lion's share of the victories on the day, winning 17 of the 20 games, drawing 1 and losing 2. Maritzburg College and Hilton College first met on the rugby field for the first time in 1875 and have enjoyed an unbroken friendly rivalry ever since. The results of matches from the 19th century are not known, but both schools fielded formidable teams in those early years. Both won the Murray Cup, Natal's premier rugby trophy - Hilton in 1898 and College in 1900. They are the only two schools to have done so. Hilton has always provided tough opposition to College, particularly in the years before World War II, when they won far more often than they lost. Before this weekend's game, the last time Hilton beat College was in 2013, with a score of 38-22. Prior to this, their most recent victory was 1999, but a number of encounters have been very close indeed. Overall statistics now show that for the 169 encounters, College has won 115, Hilton 43, and 11 have been drawn.

Maritzburg College 1st XV started the game in fine style with their big ball carrying number eight Nthuthuko Mchunu bursting through but ultimately denied by a heroic last ditch tackle. The tide quickly turned and Hilton began to gain purchase and dominate the match. This dominance was hallmarked by the usage of the educated boot of the Hilton number nine Gareth Schreuder to keep Maritzburg College pinned deep in their own half. A momentary lapse in concentration allowed Hilton to barge over the try line to get the first score of the match. College managed to get some points on the scoreboard with Keegan Collyer slotting over a difficult penalty kick from a now rare College foray into the Hilton half. A poor clearance from Maritzburg College gifted Gareth Schreuder an opportunity to showcase what he can do with ball in hand and he did not disappoint. This put the scoreline at 12-3 and it stayed that way until halftime. The second half started even gloomier for Maritzburg College with Schreuder adding a further three points with a well struck penalty making the scoreline 15-3. The Hilton side was on the ascendance and began to play with the freedom that this allowed. Their flyhalf found some space on the blindside after a poor lineout from Maritzburg College and charged over to put the score at 22-3 after the try was converted. The College team were on the back foot and looked well and truly out of the match. A well-executed kick pass found some space in the College half allowed Nthuthuko Mchunu to embark on a trademark run to barge over in the left hand corner putting the score 22-8. However, another College mistake was pounced upon by Hilton to put the game to bed with the score at 29-8. College managed to get some purchase with some sustained pressure allowing them to barge over for a try through number six Sbu Pinkiney barging over to for an unconverted try. The score was now 29-13 with College starting to play for some pride. The last moment of the match was a bittersweet one as a very well executed backline move by the College backline put Anele Nzimande into space and he delivered with aplomb. The was not converted, and the game ended with the final score at 29-18, and Hilton the deserved winners on the day.

Hockey Report against Hilton

(Director of Hockey & 1st XI Coach: Dylan Coombes)

On the hockey field, College has played more matches against Hilton than any other school. Including this weekend's fixtures, the 1st XI's have met 81 times; College have won 51 of these encounters, Hilton have won 15 and 15 have ended in a draw. The biggest margin of victory by College is 7-0 and Hilton's biggest margin of victory is 3-0. This weekend's games were hotly contested matches, and it was the RedBlackWhite teams that emerged stronger overall, winning 12 of the 14 games played, losing 1 and drawing 1.

In the 1st X1 match, early exchanges saw Hilton showing some good intentions with aggressive and organised play going forward bolstered by good structure on defence. The College outfit, also getting better with each passing week were exceptionally good in controlling the possession and creating of chances in front of goal. In the 12th minute some sublime build-up play saw M Maphumulo receive the ball at left midfield where he managed a backhand pass to a diving T Prinsloo who deflected home with clinical precision to go 1-0 up. College continued the barrage of pressure and were rewarded with a penalty corner in the 18th minute. A perfect pass off the top of the circle from the corner found J Campbell on the backhand to deflect the ball into the back of the net in a very precise move to see College go 2-0 up. College further extended their lead in the 26th minute of the first half where again some very slick passing saw S Ngcobo on the ball in the circle under pressure. The cool, calm and collected Ngcobo showed exceptional composure to secure the ball and find M Maphumulo unmarked in the circle who fired home to take College into the break 3-0 up. College once more continued to show exceptional periods of possession but it was Hilton who in the 16th minute earned themselves a penalty corner. With a closely contested goal mouth scramble, where College managed to show great grit in keeping the ball out, Hilton earned themselves a penalty stroke. D Fyvie was entrusted with the job from the penalty spot and made no mistake in placing the ball high into the back of the net, opening Hilton's account. The second half saw College unsuccessful in extending their lead, despite some great chances on offer, and at the close of proceedings, the game ended 3-1 to College, much to the delight of the RedArmy supporters on Pape's Astro.
