Canoeing

On Saturday, Maritzburg College hosted the final event of the Capital Caterers Inter-Schools League. A revised course from previous years saw the paddlers racing a shorter and more intense Enduro on Camps Drift. The relay-style event comprised team of two doubles fighting it out for line honours and the overall series title.

The Maritzburg College A team, made up of D. Evans, S. Little, J. Giddings and B. Lawson went stroke for stroke with the Michaelhouse A team. A solid final lap and smoothly executed portage by Giddings and Lawson gifted Evans and Little a slender lead going into the end sprint, where they took the victory, and ensured that College brought home the Graeme Pope-Ellis Trophy for the winning boys team in the Inter-schools Canoe Challenge.
