### NSC Results 2018 – Subject to final confirmation

Dear Parents, Guardians, Boys and College Community

## Congratulations to the Matric Class of 2018!

Maritzburg College prides itself on preparing each of our boys for their futures through a well-rounded holistic and excellent education experience. Academic achievement is one critically important aspect of this – traditionally measured by examination results. Of course there are many others that we recognise and celebrate as part of the College journey, including living out our core values and displaying qualities of leadership, humility, commitment, perseverance and empathy. At College, while we highlight the achievements of our top pupils, we also celebrate with pride the individual achievements of every pupil. We also acknowledge the vital role played by the many people who have taught, mentored, supported and encouraged our boys over the last 5 years. Our sincere appreciation and thanks to the dedicated staff who supported these young men so completely.

We are especially proud of the Class of 2018 who have proven themselves to have become exceptional young men, reflected through their remarkable academic achievements:

### Maritzburg College Matric Results in Summary:

- 100% pass rate
- 90.5% of our matriculants have achieved a Bachelor's Degree pass
- 327 subject distinctions
- 30 boys received four distinctions or more

**Special mention must be made of our 2018 Dux Cameron Hollaway (ENGL 78, AFRFA 92, MATH 92, LIFE 86, ACCOUNTING 98, LFSC 92, PHSC 97) who placed second in Quintile 5 schools in the district.**
