#### 1<sup>st</sup> XI Cricket Report vs Westville

Kyle Nipper (Director of Cricket & Acting 1<sup>st</sup> XI coach)

**The Maritzburg College 1st XI Cricket side got their year off to a good start with a win at home against Westville.**

After losing the toss and being asked to bowl first, the College seamers started off well and didn't give the Westville batsman too many easy scoring options. With 10 overs left before tea, a combination of good batting and poor bowling and fielding got Westville into a commanding position of 109/2 after 25 overs. The reaction from the College boys after tea was brilliant and some tight bowling saw Westville being bowled out in the 50th over for 209. Dean Dyer was the chief destroyer with 4/31.

Chasing 210 for victory, College's batting couldn't have got off to a worse start, losing Tristan Elam in the first over. Jacques van der Walt and Andrew Todd then put on a decent 62 run partnership before van der Walt fell for a well constructed 42. A couple of poor decisions resulting in the run outs of Dyer (15) and Todd (47) put College in a tricky position at 112/4. With two grade 11's at the crease in Ross Klusener and debutant Robert Akerman, they put on a mature 85 run partnership to take the game away from Westville. Unfortunately both batters fell just before reaching the target, Akerman falling for 29 and Klusener for 66 but the Maritzburg College 1st XI still managed to get over the line reasonably comfortably, winning by 4 wickets with 4 overs to spare.

This Saturday sees the much anticipated fixture against Hilton at Maritzburg College.

### Basketball

#### Basketball 1<sup>st</sup> team report against Westville

Jenny Orchard (Master in Charge)

Maritzburg College vs Westville @ College

College kicked off the 2019 season by hosting Westville Boys' High School on a very hot and humid Saturday. As a Stayers' side, College beat Westville 64 -55 in the 4th term of 2018 so there was much anticipation for the return encounter. This resulted in a large group of very vocal supporters filling the Allan Paton Memorial Hall. Prior to the start of the match, both teams stood for a minute's silence to honour Westville's Senior Deputy, Mr Nestor Perides who had passed away during the week.

Even though College won the jump ball, it was Westville who opened the scoring and maintained the lead for a large part of the first quarter. With both good offense and defence the home team back from a scoring drought to end the first quarter 11 – 9 ahead. College maintained a fast paced attack throughout the 2nd quarter with Zaneliswa Khoza and the captain Philani Simemane managing to halt many a Westville press with quick hustles of the ball. College ended the first period with a narrow lead of 21 points to 17. Even though College maintained the lead in the 3rd quarter a dip in energy levels became evident. This may have been due to exhaustion from the House Challenge in the heat of Friday or it could be attributed to the December holiday break. Nonetheless, Westville took full advantage of this in the closing stages of the 3rd quarter and the start of the 4th. Towards the end when the home team were behind, the players showed a great deal of passion and put their bodies on the line in an attempt to pull off a victory that their supporters so desperately wanted them to achieve. In the dying stages of the game they really hustled well in order to get the needed baskets but this was not to be as Westville came out the winners with a score of 49-43. College unfortunately could not hold out to the end but they showed true College spirit right up until the final whistle. Liam Janse van Rensburg top scored for College with 13 points. As coach Paul 'Bear' Bryant once stated "Concentrate on winning the second half" and this is what the College team needs to do for their next game against Hilton College.

The shouting captain for 2019 Ollie Zondi ensured that the supporters 'sang' war cries throughout the match and this added to the wonderful atmosphere at the game and also showcasing what schoolboy sport is all about.
