Rugby

The weekend saw College play rugby matches against St Charles in the main but with some games against Voortrekker, Carter and Linpark (most on the stagger). The 28 College teams played outstanding rugby across the board showing true gut, determination and courage with the traditional redblackwhite team spirit.

1st team report – Cameron Fraser – 1st team Coach

On Saturday the 27th of April 2019 the Maritzburg College 1st XV played against St Charles in the annual PMB-day. In the first 10 minutes of the match one could see that both teams were testing one another to try and exploit certain weaknesses.

College strung some nice passes together down the flanks and Kaid Morsink managed to score a very well thought out team try. Shortly before the whistle blew for half-time Philani Simamane dotted the ball down to leave the Half-time scoreboard reading 14-0 in Maritzburg College's favour.

Very early in the second half Philani Simamane through some individual brilliance managed to once again outwit his defenders to score his second try, which eventually gave College a 21-point lead. St Charles managed to then score a try of their own through a strong rolling maul close to the College line. Anele Nzimande then spotted space at the back and no one else but Philani Simamane managed to keep his composure and perfectly anticipate the bounce of the ball to dive over underneath the poles which saw the final score at 31-7 in College's favour.

A special mention needs to be made of Henry Trodd, the College scrumhalf who maintained a 100% kicking conversion rate on the day. Henry successfully kicked four conversions and one penalty.

Summary of Results

Overall; College Played 28, Won 19, Drew 1 and Lost 8

Against SCC, College Played 14, Won 13, Drew 0 and Lost 1

Hockey

College's hockey teams played against St Charles in the main with some outstanding results.

1st Team Match Report – Dylan Coombes – Director of Hockey & 1st team coach)

The local derby between College and St Charles was what the local Maritzburg folk had to look forward to. St Charles also having recently resurfaced their playing surface meant a mouthwatering clash awaited.

St Charles on their home turf were always going to be a tough nut to crack and this proved true. The first quarter played out with no score before early in the 2nd quarter the deadlock was broken when College captain G Pio stepped up to slot a flick into the bottom left corner from a PC. Shortly thereafter and through some good dominant play G Pio would thread a sublime pass through the St Charles defence to find L Jansen van Vuuren in the circle. Jansen van Vuuren having worked hard for some space managed to get a great touch on the pass for a good deflection to take College 2-0 up.

The second half started with College showing some aggressive pressing and this paid off when R Brokensha saw an opportunity and with some intelligent pressing stole possession and entered the circle. Brokensha tracked into the circle and let a backhand strike off the rocketed into top right corner for an absolutely sublime goal to see College 3-0 up. St Charles however would not bow down and opened their account on the day through a simple finish. St Charles would then win themselves another penalty corner against the run of play. College would initially defend the corner well but the ball fell to the St Charles striker who did well to collect and control before finding a pass open on the far post for simple tap in to take the score to 3-2 in favour of College.

Late in the 4th and final quarter College would win a penalty corner. The first shot was well saved but the ball fell to B Jackson who showed great skill in finishing the rebound off to regain a two goal cushion. At the end, 4-2 it would remain with College looking forward to taking on Kearsney this weekend.

Summary of Results
