

Message from Bonga Sebesho, Head of Sponsorships at FNB

2019 is the 19th edition of the FNB Classic Clashes. It has arguably become one of the best platforms to showcase and nurture talent for school rugby and netball.

Through this platform FNB has helped young talented players by giving them the opportunity to hone and develop their skills. These promising youngsters can progress to university level, where they could participate in the FNB Varsity Cup and Varsity Netball; further building on their confidence and giving them the opportunity to develop to their full potential.

While FNB's greater rugby positioning of "It takes more than 15 players to help grow from grass roots to greatness" illustrates how young talent can be unearthed and coached to be the best, FNB Classic Clashes is centered around "greatness is a team" and this reaffirms our commitment in creating a platform at every phase of the player's sporting career.

The Bank's commitment is also a resounding confirmation of our continued investment in sport to empower and advocate for a healthy lifestyle among the youth.

We would like to take this opportunity to thank every player, coach, institution and spectator who has contributed to the success of this competition over the years.

FNB wishes all the participating schools and wider communities the best of luck for 2019 season.

Bonga Sebesho
