#### 1<sup>st</sup> team report – Cameron Fraser – 1<sup>st</sup> team Coach

On Saturday the 25th of May the Maritzburg College 1st XV took on Westville at Goldstones. Westville opened the scoring with a converted try after many waves of attack which eventually wore down the College defensive wall. After a lost lineout College were pinned back in their half and Westville managed to score another try. Some College ill discipline led to a penalty that was landed by the Westville fly-half. Philani Simamane once again came through for College off a set piece strike beautifully executed by the College backs. Leaving the half time score at 15-7.

College hit back after the half time team talk with Khwezi Hadebe the College fullback who launched an awesome counter attack from his own half and managed to link up with Philani Simamane who scored his 2nd try of the day in the left hand corner. Henry Trodd converted the try. Westville managed to score another try after some hard, fast and physical backline. College managed to spend some time in the opposition half and after a quick tap penalty the ball was passed to Nzimande to ran with intent and eventually managed to slide over for College's 3rd try. College then with some surges toward the line managed to outwit the Westville defenses and Brannan Webster managed to cut inwards to crash over the line for another College score. Leaving the score at 26-25 in College's favour.

College conceded a kickable penalty in their half and the Westville flyhalf once again made College pay dearly. The score now being 28-26. Malwande Dlangalala surged towards the try line in the dying embers of the game and College was soon after awarded a penalty. College were awarded another two penalties on the 15-metre line in front of Basher ridge. College elected to tap and go and was unfortunately held up in their attempts to secure the victory with a try.

A gallant comeback by the College 1st XV unfortunately just too little too late.

### Hockey

College's hockey teams played 15 matches against Westville Boys High with outstanding results, as they won 10 games, drew three, and losing two.

#### **1<sup>st</sup> Team Match Report – Dylan Coombes – Director of Hockey & 1<sup>st</sup> team coach)**

This Saturday saw an in-form Westville team make the trip up to the capital and Pape's to face off against College in what was to be a fine display of school boy hockey.

The match started at an electrifying pace with College placing the Westville back four under immense pressure and both teams playing good build up hockey. College would win themselves an early penalty corner when they launched an attack down the right hand flank and entered the Westville circle. Some good combination play and skill lead to the corner which would be saved by the Westville keeper holding the scores deadlocked at 0-0.

The second quarter would also not see any goals with both teams playing great hockey but not getting in return on the effort. The half would close with no score at 0-0. In the 3rd quarter Westville would come alive somewhat looking sharp and energized for the 2nd half when they won themselves a penalty corner. Westville looking for the opener on the day chose to flick at S Ngcongco's goal. S Ngcongco however had other ideas and pulled off a top class save to keep the scoreboard unchanged. Westville would win another two penalty corners where S Ngcongco pulled off two more exceptional saves in the College goal. The 4th penalty corner however Westville would convert and took a 1-0 lead with just a minute to play in the 3rd quarter.

In the 4th quarter College seemed to find another gear with a shift in momentum and through some controlled buildup play really threatened the Westville defence. Some excellent hockey saw some very good goal scoring chances but College were unable to convert. 5 minutes from the end of the game and College launched yet another attack down M Veenstra popped up at the back of the circle to pick up a pass from the baseline. Veenstra perfectly poised would clinically finish into the bottom left corner with a sublimely taken goal to level scores at 1-1. College would continue to threaten in the closing moments and had another great chance to win the match but just couldn't find enough for another goal as the match drew to a close with the score line level at 1-1.
