Term 2 - 2019

HOUSEMASTER'S REPORT

Once again we have had an extremely busy term. It is that time of year when academic pressures, as well as co-curricular pressures start to build. For some it is a time of realisation that not enough has been spent on academics and many hours of revision and catch up will be need to be done in the second half of the year to make a success of 2019

Having said this our Calder House boys have acquitted themselves well in general, and this has seen many of them achieving excellent results and many making improvement on previous terms marks and achievements, one young man who stands out in this area is Yusuf Akoo, who managed to achieve seven A's this term with his lowest mark being 89%. This is a truly exceptional achievement.

Inter House Competitions

We have carried on where we left off at the end of last term, participating fully in all inter house competitions and acquitting ourselves very well. We placed 2nd in Tennis, 5th in chess, 6th in shooting and an unfortunate 10th in the Cultural Competition. All the boys who participated in these events must be thanked for their commitment to Calder house. We have an number of house competitions still to compete in and we will keep you posted with the results.

OUR HOUSE

Outstanding Individual

Achievements on the sports field.

The following boys have excelled this term in their various sports codes culminating in their selection into provincial teams and this is what there coaches had to say about them:

Tiaan Prinsloo

Prinsloo has had a remarkable season for the College 1st team this year. All his hard work, passion, commitment and determination has paid off in being selected to represent the KZN Inland U18A team. We wish him all the success as he and his team take on the best that the country has to offer at the upcoming national hockey tournament. By Mr D Coombes

Corbin Thunder

Corbin is a tenacious player who is the beating heart of the u16A rugby team. His captaincy of the team is exemplary and he certainly leads from the front. His selection for the Natal Sharks Grant Khomo team is a fine reward for his performances during the course of the season. By Mr T. Orchard

Royden Swift

Royden is the anchor of the team, his growth during the course of the season as a player has been truly remarkable and being selected for the Natal Sharks Grant Khomo team is just rewards for a fine season so far. He is one of the best scrummages in the province and can always be relied on during the course of a match. By Mr T Orchard

Other Notable Achievemnts

A Mkhanya (Inland U14A)
C Fortman (KZN Indoor Crickey)
K Govender (winner of KZN Top Schools Sqaush)
J Barnard (Kzn Golf)
M van Herzeele(KZN u21 Canoe Polo)

Our House

Outreach

At the start of this year we looked to support the 'Jess Foorde Foundation' in the second half of the year we look to shift this focus to the Joseph Baines Childrens Home. We are asking you to dig deep into the back of your cupboards during the course of the holidays, and to pull out any cloths that your children have grown out of, blankets as well as any old sporting equipment that is still in working condition. Once our collection is complete, the boys will take these and hand them over to the kids at the Joseph Baines Childrens Home. All your donations can be dropped off at Miss Hacklands office during the course of the third term. We will remind the boys of this at the start of term three.

House Leadership

Our leaders have worked hard this year to raise the profile of Calderhouse within the school. We have had a change to our leaders and welcome t Cheatle to the fold, he has taken over the portfolio of Outreach and wish him well in his new position.
