

Lamond House News

Term 2 - 2019

HOUSEMASTER'S REPORT

Term 2 was yet again an extremely busy term. Our Lamond boys were involved in every aspect of school life and the co-curricular program. A number of Lamond boys even learned how to knit and they are all very busy knitting squares for the 67 minutes for Mandela Day blanket project. I would like to take this opportunity to thank all the moms, aunts, grannies and sisters who have all been knitting squares. The last day to hand in completed squares is Tuesday, 9th June. We are very proud of all our boys who have been awarded either a Large White Badge or Colours this term.

I wish you all a blessed holiday. All our best wishes go with all the boys who are competing in the various inter provincial tournaments taking place during the holidays.
