Term 2 - 2019

HOUSEMASTER'S REPORT

As was expected, term 2 was again a very busy one. It certainly feels as though the workload for everybody is increasing. We have had rather limited time all round due to most of our academic weeks having only been 4 days.

Before we knew it the exams were upon us and they needed to be set and written. We may even find that some of the results may not be what we would like them to be.

Our Mentors have again done a sterling job in guiding and controlling the boys, as well as ensuring that they would continue to try and do their best.

I wish the Mentors and the Pape House boys a blessed break. Come back refreshed and ready for another busy third term.

HOUSE LEADER REPORT

Again a busy term for the school and for Pape House. Even though the academic and sporting stress has had a huge impact on everyone this term, it appears that most Pape House boys have reacted and responded well despite these conditions.

The House Leaders have fulfilled their jobs well and are always up to the task when asked. To add to this, the House has responded very well in representing Pape's in the various inter-house activities.

Although Pape's has not had the best term in regards to inter-house results, we are eager and I am sure a greater impact will be made in the future terms to come.

OUR HOUSE

House events, competitions and outreach

Pape House has certainly tried their best in the House events. We will however need to work even harder if we wish to move up the points ladder. We remain proud of our boys.
