

Snow House News

Term 2 - 2019

HOUSEMASTER'S REPORT

I would like to start off by thanking Mrs G Wylde who will be leaving us at the end of this term to take up a teaching position at St Anne's. She has been a mentor to S3 since the inception of our new house system in 2013. She has been a dedicated mentor to the S3 boys and I am sure she will be missed by them. We wish her all the best in her new teaching position.

We had a number of our Second Form boys who did not do very well academically at the end of the first term. With the help of our Academic House Leader, Christian Mc Kenzie, and the peer tutors we are hoping to have changed this around and that we will see much improved marks in the exams that are currently being written.

I noticed the other day how tall and proud our second Formers are carrying themselves. They have come a long way since the start of

of the year and I am sure the next six months are going to be slightly easier for them. I even noticed that most of them are starting to 'grow into' their new, slightly big, uniforms! To all our boys representing their provinces in various sporting codes this holiday, I wish you all well and urge you to make the most of this opportunity to grow and develop. I feel blessed to be part of the Snow House boys' formative years and to see them grow and develop into fine young men. Thank you to the parents that support us on this journey and for always giving your boys a 'soft' landing when they need it but also a firm and guiding hand when needed.

All that remains is for me to wish the whole Snow House family a wonderful and blessed holiday and family time.

CORA TEDDER

HOUSE EVENTS:

During this term our boys participated in the following events and achieved the following positions:

Shooting 9th
Cultural Activities 6th
Tennis 3rd
Chess 5th

In a couple of days' time we will be competing in Rugby, Hockey and Soccer and we are hoping to improve our position on the leader board. We are presently still at the bottom but we have a never say die attitude so watch this space!

House Leaders

The Snow House Leaders are a passionate and well-groomed group of boys who have been very helpful and have worked to their full potential. They have gone an extra mile in becoming good role models and leaders to their peers and other learners. They have been helping with taking some of the mentor classes, which has shown their commitment and good characters. Well done boys – you have made us proud!

MRS Ghemma Wylde

At the end of the second term, Snow House will be saying their goodbyes to Mrs Ghema Quin who will be relocating to St Anne's to take her new position as Head of Arts. Ghema has served Snow House as a mentor for six and a half years. She is a pleasant and kind person with a quiet sense of humour. Her nature has made it easy for peers to work with and has been a positive influence within the working environment. Her artistic background has helped learners in her mentor class and in general become a creative sphere in all tasks given to them. As a mentor of Snow House, she will be dearly missed for all her impeccable efforts and passion in helping and shaping boys characters in their journey to become men. Snow House wishes her a happy stay in her new environment.

Recipients at the Good Report Tea for being placed in the Top Ten in each Form after the first term results:

Sambula Dlamini, Wade Pillay, Declan Pillay, Abdullah Osman, Calvin Venter, Sohayle Soorju, Gerhard Roux.
