Term 3 - 2019

HOUSEMASTER'S REPORT

Barns House Inter-House report:

Barns House enjoyed a good term with the Inter-House Sport with the canoeist coming 3rd, the Water Polo coming 2nd losing in the final and the Basketball where the Juniors won the final and the seniors losing in the semi-final. The cyclist also performed very well.

With the loss of our Senior actors, at the last minute, our play did not go that well. We want to commend two youngsters who stepped into the breach and did themselves and Barns-House proud.

The boys of Barns-House are to be commended for the hard work and dedication this term with the Inter-House sport.

HOUSE LEADER REPORT

House Leader Reports on his experiences:

My time in Barns house has gone by extremely quickly and they have been some of my most memorable years. I have shared many enjoyable experiences in Barns house with peers I am now proud to call my brothers.

From second to fifth form the people in our house have been nothing but supportive and helpful guiding me through any situation I had and pushing me to be my best. In this year (sixth form) I have enjoyed my leadership position with the help of the other leaders. I would also like to thank Mrs. Rembold for her support and encouragement over the years.
