Term 2 - 2019

HOUSEMASTER'S REPORT

We have come to the end of another highly productive and successful term. We have been fully involved in many areas including outreach, inter house sporting events, trial exams, the end of the winter sports season, the start of the summer program and the Matric farewell.

Both the boys and the staff have been hard at work to finish the year as we started with enthusiasm.

The Matrics have just completed their Trial exam and I hope that the boys managed to achieve the goals that they set for themselves. The hardwork for them is not quite done with the Final Matric Examinations Looming and we wish them every success as the sit these.

It is also a privilege for me to announce that Mr Tim Orchard has been appointed the new head of Fuller House. He has been a selfless servant of Calder since its inception. We wish him all the best for this new challenge.

HOUSE LEADERS

To the House Leaders and Matrics of 2019, we would like to take this opportunity to thank them for their efforts and commitment to the house and the par that they played in growing the status of Calder House this year. They will be a hard act to follow, but I do believe that the House Leaders for 2020 will place their own unique stamp on the house and continue the efforts of those before them. This will be an opportunity to fulfil leadership roles within the house and to support those in the younger grades and make the new form twos feel welcome. I wish them every success next year.

OUR HOUSE

This year the young men of Calder house have continued to work hard in the inter house competitions and this term has been no difference. We managed to place 3rd in both squash and the House plays and winning the waterpolo for the 3rd year running. This saw us finishing an admirable fourth in the house compotetin this year.

On the outreach side of things the boys have really excelled this year helping both the Thandanani Chilrens Home and and Isabel Beardmore Home for the Aged. Both the boys and their parents gave very generously towards this inititiave and we as a house are extremely proud of what we where able to achieve this year.

The Boys in there mentor groups took the time to write a short note the the Ladies and Gentleen of Isabel Beard, some of these messages have been included on the following page.
