Term 3 - 2019

HOUSEMASTER'S REPORT

We ended the year's house competition in 3rd place behind Commons and Forder by only 4 points. A large improvement from our 10th place of last year. This has been a testament to the boy's commitment to the house and I would like to thank them all for the enthusiasm that they have shown this year. I do hope that they will be able to build on their performance and take the top spot next year.

The boys have dealt with some tough topics during their mentor lessons this term and I do hope that they have grown from the experience.

After a year with Fuller I am sad to say that I have stepped down as Housemaster to take on a new role at College.

Mr Tim Orchard will be replacing me as of next term. I would like to wish him well in his new role with the house. I know that he will take the house to new heights.

Mrs Moffatt will still be the Assistant Housemaster.

I would like to take this opportunity to thank all of the Fuller House staff for their wonderful support this year. Thank you to all of the parents for your support this year, it is invaluable in making sure that all of our boys are happy at school.

And lastly, thank you to all of the boys. You have made my experience as Fuller Housemaster a wonderful and memorable experience which has taught me a great deal.

Kind Regards
Anthony Sparrow
