

MARITZBURG COLLEGE

Dear Parents

Maritzburg College is excited to announce that we will be using a new payment application "App" that will help with quick and easy payments for incidental charges such as tours, camps etc. This "App" will be used alongside our debit order facility. Should you wish to switch to the "App", please contact Arlene Trout on trouta@mcollege.co.za

There is NO charge to the parents for this application. It is FREE to download from either the Apple Store or Google Play Store plus it uses less data than Whatsapp.

The application is called Karri. Karri is an innovative mobile payment application that allows you to make quick payments for school collections using your smartphone. Karri is powered by Nedbank but will work with any bank ensuring the safety and security of all information loaded onto the app. It is therefore fully POPI and PCI DSS compliant with stringent internal measures. We have furthermore entered into a contractual agreement with Karri to guarantee this.

You only need an email address to access the app. Please expect an email/SMS directly from Karri asking you to download the app shortly and then sign up with your email address. We have attached a Karri pamphlet detailing the simple steps for making payments.

We would really appreciate your support in striving to be a cash free environment. For further queries or information visit the Karri website on www.karri.co.za alternatively you can contact Karri directly on: 021 300 1867.
