A message from the Housemaster

Nicholson house has been blessed with a group of boys who may not excel in everything they do but certainly give it their best shot. This term the boys participated in the house plays, played basketball and water-polo. By all reports received we gave very good account of ourselves. Whilst there is a degree of competitiveness I believe these activities are there for the boys to express themselves and enjoy each event.

The focus this term was to choose the new leadership of our house and our acting prefects. It is my pleasure to announce that we have two acting prefects namely,

O Beauclerk and U Mtsi. Our house leaders are J Culverwell, K Hardy, K Tullis, D van Niekerk and M van Dam. The role that these boys play is integral to the effective running of our house.

CONGRATULATIONS!!

Let me take this opportunity of wishing all my 6th formers the very best in their final school exams next month. We know that as you finish twelve years of schooling you are ready to take on the challenges that lie ahead of you. Use the tools that you have been taught in your studying practice.
