2019 proved to be a rather busy year for Pape House.

We wish to congratulate DKH Dyer as our own Deputy Head Prefect for 2019 as well as our House Captain, Assistant House Captain and the team of House Leaders for their sterling service this year. Thank you, young men, for the leadership shown over the course of this year.

We welcomed Mrs Tarryn Louch as our new Assistant House Master in term 3, 2018. She has been a breath of fresh air in our House and we sincerely hoped that she was going to stay with us for a long time. However, we are very pleased to announce that Mrs Louch applied for, and was promoted to Housemaster of another House starting in 2020.

Mr Ndumiso Makhathini, a loyal member of Pape House, applied for the Head of Leadership, was promoted during the year to Head of Prefects. We have replaced Mr Makhathini with Mr Murray-John Smit who has been welcomed with open arms. Pape House has certainly had its fair share of staff promotions, and we again bid farewell to Mr S Bosch to his post as Assistant Housemaster of another House during 2018. Mrs E Fraser replaced Mr S Bosch at the start of 2019. The pupils and House have really enjoyed her energy and caring nature. She is another instant hit for Pape House. We sincerely hope that Mrs Fraser will be with us for a while until College sees her value and offers her a promotion as well.

I am starting to think that we are a House creating wonderful leaders for College. We are really very proud of you folks. College is the ultimate winner!

Pape House again tried hard to compete and climb that leader board, but again it needs to be said that we certainly lacked certain skills to be as competitive as we would have liked to be. We gave our best in all the areas, and the boys can be commended for their efforts. We did however end in seventh place overall.

Mentor feedback for 2019 was very positive and the House system has really rooted itself in College. The boys are all accepting of one another, and are prepared to offer mentorship freely. The House Leaders lead from the front and were always visible and willing to run the House without the need for prompting.

We are very proud to say that two of the three College Shouting Captains came from Pape House. Well done to C Patterson and T Zondi for a sterling job for College this year. The boys are going to miss the energy that you guys poured into a job well done.

Our Project Flamingo – for cancer – really did well this year and the seriousness of the illness encouraged our boys to make generous donations towards the cause. We will continue with this project in the new year and will be asking the boys and parents to donate generously for this very worthy cause. We have discussed the Project with two other Houses who will be joining hands to make the College contribution a lot bigger. We will also get involved with their House projects in a quest to make our boys well rounded young men.

Pape House is discussing the prospects of introducing our senior boys to take part in the Presidents Awards Program. After all, we want to create leaders from College. We will also allocate younger pupils to assist the House Leaders in performing duties in 2020. The whole idea is to have a follow up program for creating young leaders. We look forward to seeing this project in motion.

Finally, I would like to thank the team of Mentors and House Leaders for all their hard work and dedication in the past year. Mrs Louch, you have meant a great deal to me and the House and you will really be missed. I know that you will always be a Pape Lady at heart. We all wish you well in your new House and know that your new House will soon know that they have a great leader to follow. For the rest of the House, have a wonderful break and come back refreshed and ready for a blessed 2020.
