Term 4 - 2019

## HOUSEMASTER'S REPORT

Snow house has been through a disruptive time on the staffing front this year. With the loss of Miss Quin, Mr Shezi and Mr Booyesen, on top of that Mrs Tedder, who has been with the house since its inception, stepped down for her final term of teaching at College. Mrs Tedder we salute you for the magnificent job you have done in Snow house. A tributary house assembly was held in the beginning of the 4<sup>th</sup> term to thank her and I know that the boys will miss. We have welcomed Miss Kunene and Mr Musasiwa into the house and will welcome Mr Van Jaarsveld at the beginning of next year. The House captains, leaders and 6<sup>th</sup> formers are thanked for their contributions this year. We wish you well heading out into your next journey.

We eagerly anticipate 2020's leadership and wish them all the very best in their new roles. With such enthusiasm we are sure to have a great year ahead of us.

Snow's has produced some fine sporting achievements this year and are indeed a force to be reckoned with. Two of our boys represented their country in their respective sporting codes this year.

G Pio and N Moodley have represented our country and there have also been a number of boys representing their province. Well done to all of you.

On the academic front, Snow house has repeatedly been represented in the top 10 per grade. The 2<sup>nd</sup> formers have particularly excelled. Claiming first in the grade every term and having 2 or more in the top ten every term and a number of our juniors excelled in the Afrikaans Olympiad. This bodes well for our future.

In the inter-house competition we won Cricket and Basketball, but we can make up points in many other areas. I look forward to this next year, as this sparks a lot of enthusiasm and team spirit within the house.

On a final note I would like to challenge the house for 2020 to 'Redeem the Time'. Our time is valuable and precious, and we must make it count. Do your best and push yourself. When you get time to spend with loved ones, enjoy their company, laugh together and encourage one another.

Enjoy a well-deserved break.
