

## MARITZBURG COLLEGE

### Academic Support January 2020

Academic support is offered in a number of subject areas at the school. All of these sessions are **free of charge**. Entrance into the academic support programme is based on **work ethic and need**, and individual subject teachers will be consulted in this regard. The first step when experiencing difficulty in a particular subject, is to approach the subject teacher, who will provide suggestions and strategies to help. In addition to this, all boys are expected to access the support materials available on the school's Moodle ([moodle.mcollege.co.za](http://moodle.mcollege.co.za)), which has a variety of tutorials, lesson power-points, links to the school's YouTube channel and past papers with memos. All boys must be accountable for their own academic performance, and must take active steps to address their areas of difficulty.

SUBJECT	DETAILS
