**Term 1 - 2020**

## **HOUSEMASTER'S REPORT**

Dear Forder House Parents,  
Forder house has had a wonderful start to the year. We are currently in 3<sup>rd</sup> place in the rankings.

The House Leaders have been very involved in the running of the house and ensuring that our young men live out our motto, Sans Peur, meaning Without Fear. M Fuhri, Q Lupton Smith, J Maharaj, Q Govender, L Mawela have set the bar high and have taken initiative in all our house competitions.

The band and house singing has received a lot of our attention these past two weeks. Liam Muller has orchestrated and rewritten the words to our chosen songs. He has taught and conducted all our singing practices. I am very grateful to such a talented man who has had the support of his fellow musicians, M Fuhri, M Van Rooyen and M Mkhize.

The administration and pastoral care of the house would not happen had it not been for our mentor teachers. Mr S Stopford and Mr G Stewart have joined us this year and have innovatively contributed their new ideas and slotted in well to the character education that we hold so dearly.

Enjoy the holidays and we look forward to seeing you on the side of the field next term.

Mrs L Akerman

## **HOUSE LEADER REPORT**

Dear Forder House Parents,

I cannot believe that we are already at the end of the first term of this year. It has flown by and what a term it has been. Our second formers have settled in well and are showing the rest of the house that they belong. I have faith that they will lead College to greater heights in the years to come. Many of our boys have been high achievers and I know that this will continue for the near future. From a personal view, I have really enjoyed leading the house this term and cannot wait to continue in the second term. With Mrs Akerman leading us from the front, we will push all the way to get to the number 1 spot in the Forder Cup rankings. My belief in the boys of the house is second to none, and I know that we will not give an inch to the other houses. I hope everyone has a blessed holiday and keeps safe. Enjoy spending time with family, and get ready for a busy and eventful second term!

# OUR HOUSE

## It's a Cultural Affair

We are very proud of Mikhail Karrim, who joined us at the start of the year. He has immersed himself in Debating and recently was nominated best speaker.

As Ibrahim Babingida said, " Debate and divergence can only enrich our history and our culture".

## Large White Badge Nominations

The following have represented Maritzburg College at first team level and have been awarded a Large White Badge.

MR Palmer – Swimming  
RC Naidoo – Soccer  
NA McFarland – Squash  
SD Hlatswayo – Chess  
DA Van Der Watt – Cycling

Q Govender is congratulated on receiving Colours for Table Tennis.

## 2<sup>nd</sup> Form Ties

They say a picture paints a thousand words. We are excited about the energy and passion our 2<sup>nd</sup> Forder Boys bring to our home and welcome them into our family.

## Captain, My Captain

This year we certainly have a group of strong leaders who have taken their position as Captains very seriously.

MS Fuhri – Chamber Choir  
KE Goedeke – Cricket  
EL Gough – Golf  
QL Lupton Smith – Water polo  
LP Muller – Afrikaans Society

These boys have been very busy motivating their teams and producing outstanding performances. KE Goedeke has scored over 412 runs, EL Gough has seen his team make it through to the SA Schools Champs later this year. QL Lupton Smith has led his team to win some very close games. LP Muller has initiated 2 evenings of interacting in Afrikaans coupled with speed dating. He is the producer of the Afrikaans show which will be performed later this year. Well done boys, and keep leading with humility.

# FORM 5 CAMP

## Fifth Form Camp – Spirit of Adventure

Rain, more rain and then a bit of wind was the order of the camp.

The weather did not detract from the positive energy that was seen on the camp.

It was an incredible honour watching our Forder Boys encourage and motivate one another to jump off dam walls, rap jump, build rafts and do obstacles. The amount of “gees and vasbyt” was intangible. I can only hope that my fifth formers will use this same energy to remain grounded and inspiring to others as they move into leadership positions as the year quickly comes to an end.

Thank you boys for making the camp a very special time for me to observe and get to know you all.
