Term 1 - 2020

HOUSEMASTER'S REPORT

After a somewhat hectic start to the year, where the house hit the ground running in spectacular fashion, the dawn of a new term was greeted by many with upturned faces and eager smiles.

Fuller House welcomes two new staff members into the fold, Mr. M. Kritzinger and Miss M. Du Plessis. I would like to extend a warm welcome to them from Fuller House and hope they have a long and fruitful stay.

In light of the Covid-19 outbreak, I urge you to follow the advice of the Department of Health and the WHO with regards to the preventative measures we all are use in the coming weeks. Social distancing and the regular washing of one's hands with soapy water are two measures we are to use in the immediate future. South Africa has not seen the worst of this pandemic and I sincerely hope you and your loved ones stay safe in the coming weeks and months.

To our Second formers, the period of bedding in is over and the time of finding one's niche in the College system is at hand. This great school of ours has the unique ability of providing for all the needs of a newly arrived sprog from Primary School. Whether you are an aspirant member of the school choir or a genteel member of the front row, College has the ability of welcoming you into the fold. This however can only be accomplished if you are willing to go out and find that niche that is awaiting you, if you do not College may become a lonely place but this shall all come to naught if you make the most of the opportunities that are out there.
