Term 1 - 2020

HOUSEMASTER'S REPORT

Term 1 of 2020 has certainly been one of the busiest terms that we have had. It just feels as though time is going quicker, and the workload is increasing for everyone.

Borver week was a great introduction to our new Form 2 boys. After this, we held an assembly where all our boys received their ties, welcoming them into the College family.

Besides becoming proud new members, there were still some tears of boys longing to get back home.

Finally, I would like to thank my assistant Housemaster, Mentors and the House Leaders for all their dedication and hard work this term.

I wish you all a well-deserved break.

HOUSE LEADER REPORT

Term one saw many superb moments for the boys of Pape House. We started the year very strong with an extraordinary Borver week, seeing the new second formers showing great attitude and team work in events that were set out for them. Following this we had the inter house swimming, cricket and athletics which we then limbed a few spaces in the leader board since last year. As Pape House boys we always strive to do better, not just for ourselves but for others. We are involved in the Flamingo drive in which we raise money for a cancer foundation to help the ill. From next term we ask that donations may carry on being given as this is a great cause for us to be involved in. Overall we saw great commitment and enthusiasm from each form which we wish to carry out into next term. We hope that everyone gets the rest they well deserve and enjoy the holidays.

OUR HOUSE

Virtus challenge 2020

The good old sports day and Tug-o-war events soon made everyone forget about home. A great day was had by all.

The academic program then took a hold of everyone, until the Athletics day on Friday 25th of February. Pape House boys were in great spirit and took part with a great deal of guts. Joseph Kayembe broke the record for the 100m as well as the 200m with a time of 10:90s for the 100m and 22:50s for the 200 m.

Besides a busy academic program, the sporting program has been equally busy. This year our House actually had a number of swimmers who helped us gain some valuable points.

Our Cancer drive is still going well, and I really want to appeal to the boys to support the drive with more enthusiasm.
