**Term 1 - 2020**

## HOUSEMASTER'S REPORT

As we draw to the close of a very busy and productive term, I would encourage us all to take some time to reflect on our year thus far.

On a positive note things settled down in the house very quickly, and our usual routines picked up almost where we left them last year. The new boys to the house have survived the initial feelings of uncertainty, and have become an integral part of the house, contributing in many different areas.

On the Academic front we had a number of boys finish in the top ten of each form last year. Congratulations to the following for holding the Snow house flag high:

### Form 2

- 1<sup>st</sup> D Pillay S3
- 2<sup>nd</sup> G Roux S5
- 8<sup>th</sup> L Armstrong S2
- 10<sup>th</sup> A Osman S3

### Form 5

- 7<sup>th</sup> M Darch S2
- 9<sup>th</sup> Z Osman S3

It would be fantastic to see more of our budding academics on this list.

Our 5<sup>th</sup> form leadership camp was exciting and notable for two reasons. The Snow house team came third in the inter-

house challenge. These points get added to the prefect camp scores per house. There were also 2 Snow house members in the elected team that smashed the assault course record at Spirit of Adventure by 12 seconds. Well done to A Dick and W Trodd for your contributions.

There appeared to be a renewed interest and enthusiasm in the inter-house competition, but we lost a bit of that momentum in the gala. The results are tabulated below:

Activity	Position
Borver week	7 <sup>th</sup>
Virtus Challenge	5 <sup>th</sup>
Gala	9 <sup>th</sup>
Athletics	7 <sup>th</sup>
<b>Overall</b>	<b>8<sup>th</sup></b>

It is clear that we have a lot of room to improve over the next few terms. We have been preparing well for the upcoming inter-house singing and band competitions. I look forward to what the musicians and house choir have to offer.

On the pastoral front we have been continuing our journey to becoming men of good character. Our assemblies, mentor classes and guest speakers have all been looking at this as a common theme.

There has been some personal crisis for some of our boys, and our thoughts and prayers go out to the Clark family as they deal with the aftermath of a senseless crime in their home.
