

MARITZBURG COLLEGE

Dear Parents,

RE: MARITZBURG COLLEGE – GROUP PERSONAL ACCIDENT (GPA) INSURANCE

Maritzburg College prides itself on learner safety and has offered Group Personal Accident Insurance for our Learners over several years. The cost of this insurance will **no longer** be incorporated into the Learners' school fees and parents have the option to choose the Group Personal Accident (GPA) Insurance cover or to make use of their own medical cover.

In accordance to our safety protocols, the School Executive has made the decision that **NO** boy who is scheduled to participate in any sport festival and/or tournament may attend without sufficient medical insurance. Such insurance could either be in the form of the school insurance, or own private medical aid/insurance, and **MUST** cover Accident & Emergency procedures at a hospital.

Here are the reasons and a few benefits of opting for this insurance:

- A quicker response time when specialised care is required (i.e. Emergency Room/Casualty),
- NO delays in medical treatment due to SAN staff not being able to reach parents timeously,
- NO delays due to permission or authorization being required from Medical Aid funds, and
- Access to funding of up to R50 000 (details and limits apply).

A copy of the insurance brochure as well as terms and conditions is available on the [Maritzburg College](#) website.

You will be notified shortly via the [Karri app](#) that insurance payments are due and payable on or before **31 January 2021**, so if you have not already done so, you will be required to download the app from the Apple App Store or the Google Play Store.

When you receive your application, SMS or email confirmation, you will be able to make your selection from the options below and pay directly via the app.

Should you not require Group Personal Accident insurance and choose to use your **own** medical aid/insurance, please select DISMISS.

Below are the various options of the Group Personal Accident insurance coverage available should you choose to opt in:

Directing potential since 1863

MARITZBURG COLLEGE
