HOUSEMASTER'S REPORT

This year has truly flown past and somehow we have survived another year of Covid-disruptions. Our young men's ability to adapt is to be admired. The joy on their faces when they could start playing sport again was priceless. Our young men of Lamond's made my job as Housemaster easy this year as it was a year that was relatively free of serious disciplinary issues. I want to thank our Leader group under the leadership of our Owen Higgins, our house captain, for leading Lamond's so well this year. We wish all the Lamond Class of 2020 everything of the best as they embark on a new chapter in their lives.

During the year Mr S Mkhwanazi was appointed as an assistant housemaster and we had to say goodbye to him. I would like to thank him for his care and his commitment to the mentor program.

Sadly we have to take leave of Mr R le Roux, our assistant housemaster, as he is moving to Stellenbosch to continue his teaching career at Paul Roos. I want to take this opportunity to thank Mr le Roux for everything he did for Lamond's. He is respected by all. His professional, yet empathetic approach endeared him to all, both staff and boys alike. We wish him well at his new school.

Mr S Siwila has been appointed as our new assistant housemaster for next year. Mr Siwila is, although quite new on the staff, well-known to the boys having coached the 1st team basketball for a number of years. We welcome him to the Lamond family.

OUR HOUSE

LETTER FROM MR LE ROUX

Lamond house 2021

I would like to extend my congratulations to all the Boys of Lamond House for participating in another challenging yet rewarding year at Maritzburg College.

College boys are known for their adversity, and this has been an important trait in dealing with the challenges we face in the world today. Therefore, we would like to encourage our Lamond's boys to continue persevering and make the most of their time at College.

Even though we are limited in some respects at College, due to Covid-19, there is still so much to be grateful for. 2021 was better than 2020, meaning that 'die wiel draai' soos Juf Greyling would say. Keep working hard, keep it tidy, look after your appearance and live out the Core Values of College.

Unfortunately, I will be starting a new journey in 2022 in Stellenbosch. I would like every Lamonds boy to know that I would love to stay in contact, and they are welcome to come greet and make plans to catch up with me, if you had to find yourself in the Cape.

I would also like to thank Ms Greyling, for her continuous effort, care, love, and support to all our Lamond's boys. We appreciate you Ma'am. Your boere-tannie hugs will certainly be missed.

Pro Aris et Focis

Mr RS le Roux
