A Message from the

HEADMASTER OF MARITZBURG COLLEGE

It is a great pleasure and privilege for Maritzburg College to host the National U13 Craven Week Rugby Festival on our campus for the first time, and to welcome 32 teams and their supporters to our campus.

We sincerely hope that all who participate or spectate will enjoy all that is great in schoolboy sport, viz. the energy, enthusiasm, team-spirit, passion, and commitment. I ask that all spectators read and adhere to the Code of Conduct for Spectators – so that the matches between the boys are played out in a spirit of mutual respect and sportsmanship.

A special word of thanks to the Director of College Business, Mr Kevin Smith, and all the College staff who have worked so hard alongside Mr Tiny Coetzee and the Local Organising Committee to make this event a reality.

Of course, a special welcome to the home of the Red-Black-White goes to all the players, coaches, managers and parents – we hope you have an enjoyable stay in Maritzburg. I trust that you will all enjoy this week of rugby and wish you safe travels back home.

CL Luman

Headmaster, Maritzburg College

CODE OF CONDUCT FOR SPECTATORS

Maritzburg College promotes sport for the enjoyment derived there from, and for the contribution it makes towards the total development of the child. Maritzburg College encourages spectators to adhere to the following

Please Do:

- Adhere to our Anti-discrimination policy
- Encourage the players to play by the rules
- Encourage and applaud good play from both teams competing in the match
- Support the umpires and referees in every respect
- Stay off the field of play at all times
- Assist the players (off the field) with positive coaching

Please Don't:

- Promote cheating or bending of the rules
- Reprimand players for mistakes
- Publicly question the referee's decisions
- Promote "winning at all costs"
- Abuse referees / players / fellow spectators

A Message from SA SCHOOLS RUGBY

On behalf of the South African Schools Rugby Association, I take immense pleasure in welcoming the players, administrators, parents, and spectators from across the country to Maritzburg College.

The Sharks Primary Schools organizing committee, under the leadership of Nash Govender, the Chairperson of The Sharks Primary Schools Association, and his LOC need to be thanked for their commitment to primary school rugby. This tournament is largely a self-funded tournament and to ensure it is a success, it needs the commitment of the SASRA, The LOC, Provincial Associations, Schools, and Parents. Thank you for the vision of all involved. Primary school rugby is an important cog in South Africa's rugby landscape and it is critical to keep this tournament alive.

A special thank you must go to STADIO. They have partnered with SA Rugby and SASRA to ensure that the tournament is successful. They have made a financial contribution to reduce the cost of attendance at the tournament for every player.

STADIO's envisaged sponsorship's goals:

- Promote South African Sport, specifically rugby, as a vehicle towards community upliftment and people development.
- Introduce STADIO as a higher education institution that widens access to the broader community.
- Advance STADIO's purpose, vision, values and key commitments.
- Build relationships with schools across South Africa for STADIO to assist the schools with quality staff development (Short courses for CPTD points, undergraduate and post-graduate qualifications, and beginner teacher education internships.)

Thank you to the President of KZNRU, Mr Brian Van Zyl, and the CEO of The Sharks, Dr Eduard Coetzee, for your support of the tournament. Maritzburg College is a beautiful school and the perfect place to host the week. Thank you to Mr Chris Luman and his staff for the use of their school.

Schools, coaches, and administrators, thank you for your enormous contribution to rugby and the sheer passion you bring to the game. You are the volunteers who, day after day, make a huge contribution towards the game of rugby. Without you, there would be no rugby!

Referees play a pivotal role in our game and on behalf of every player and administrator I thank you for your contribution to the game. I urge young boys and girls to get involved in rugby refereeing as it is very rewarding and may lead to career opportunities.

To the players, the fact that you have been selected to represent your province at the U13 Craven Week is recognition of your potential as rugby players. I urge you to enjoy every moment of the week, both on and off the field. Rugby is played to be enjoyed - never lose sight of the fact that enjoyment should always be the major focus of why you play.

This week is an opportunity to display your talent, to make new friends from across the country and to gain a deeper understanding of what makes rugby such a special game. I urge players to take time to consider all the people around them who have made it possible for them to attend such a week. Your families, coaches, schools, administrators, provincial associations, and fellow players. Rugby is a team game both on and off the field.

Noël Ingle

Chairperson, SA Schools Rugby

A Message from the

SHARKS PRIMARY SCHOOLS CHAIRPERSON

It gives me great pleasure to welcome you all to this the 2023 edition of the Under 13 Craven Week in the beautiful city of Pietermaritzburg and our wonderful province of KwaZulu-Natal. The Craven Week competition, since its inception in 1964, has been one steeped in history and is often the foundation of many a provincial, national or international career. It is the stage on which dreams are made and where many aspire to greater heights. It is the bedrock of all rugby in our country.

This year's tournament is being graciously hosted by Maritzburg College in their 160th year and we are indeed privileged to be able to share this wonderful relationship with Maritzburg College. Rugby as we all know faces numerous challenges with dwindling player numbers and huge financial pressures, but as long as we have the support of institutions like Maritzburg College we will be able to continue to provide rugby opportunities for our children and further this game of rugby that we all love so dearly.

Rugby is a game of sacrifice, spirit, teamwork and skill but most of all passion. It is this incredible passion for the game that drives the thousands of volunteer coaches that continue to grow the game from grassroots level. It is these men and women that continue to shape the rugby landscape of our country through their tireless efforts and dedication and we salute them. This tournament is a product of their cumulative efforts and contributions and should bring them great joy and satisfaction. This year's edition brings together 30 teams from across the country as well as our international teams from Zimbabwe and Namibia. We will have 18 teams in the "Craven Week" section and a further 14 teams in the "Provincial XV" division and it is the biggest primary school tournament to be held thus far. It promises to be both an exciting and enriching experience for all involved.

As one can imagine, a tournament of this magnitude does not just materialize but involves months of planning and countless hours spent in discussions, negotiations and meetings. It also requires the collaboration of all parties from senior national and provincial structures right down to the individual schools.

We, as Sharks Primary Schools, are indeed blessed to have in our midst wonderful and supportive individuals, who have provided unconditional support in our preparations for this year's Craven Week. We wish to place on record our thanks and appreciation to the following individuals; Dr Eduard Coetzee (CEO-The Sharks), Mr Brian Van Zyl (President-KZNRU), Mr Noel Ingle (Chairperson - SASRA), Mr Chris Luman (Headmaster- Maritzburg College), Mr Kevin Smith (Head of Business-Maritzburg College), Mr Gerritt Coetzee (Tournament director/Vice Chairperson- Sharks Primary Schools), Ms Sandra Gutierrez (Operations Administrator -KZNRU), staff of Maritzburg College, members of the LOC and last but not least, the Sharks Primary Schools executive. Our thanks and appreciation is also extended to Pietermaritzburg Girls' High School and St Charles College for the use of their boarding facilities.

We are excited to welcome STADIO as a major sponsor of the rugby youth weeks and we trust that SASRA and STADIO are going to enjoy a long and rewarding association that will be mutually beneficial. A huge thank you to Mr Kobus Stander of KSC Clothing for his generous sponsorship of the shirts for all our participating players. Your generosity has ensured that all our players will leave with a wonderful memento of their time in Pietermaritzburg. A huge thank you to Mr Angelo Visser for his generous sponsorship towards the LOC and to all other sponsors who have contributed in cash and kind to make this a memorable week for all concerned.

Finally, to our players who have worked tirelessly to get to this point, we commend you on the sacrifices that you have made to ensure that you get to Craven Week. The hours of hard work, blood, sweat and tears are certainly going to be worth it when you pull on your jersey and run out to represent your team. Remember to represent your team with pride and respect knowing that you not only represent your team but your parents, coaches and all those individuals that have had a hand in your rugby growth and development. Build friendships, make memories but most of all remember to enjoy the experience. We want to wish all players, parents and team management well for the duration of the tournament and we look forward to renewing old friendships and to making new ones.
