

MARITZBURG COLLEGE

ACADEMIC ENRICHMENT PROGRAMME 2024

The Academic Enrichment Programme is designed to offer academic support to learners, in a number of subject areas at the school. All sessions are **free of charge**. Entrance into the programme is based on **work ethic** and **need**. If a learner has trouble in a particular subject, the first step is for him to approach his **subject teacher**, who will provide suggestions and strategies to assist him. There are also a variety of resources available on Moodle and MS Teams. Boys should be **responsible** and **accountable** for their own academic performance and must take active steps to address areas of difficulty.
