TERM 2 2024

HOUSEMASTER'S REPORT

Congratulations Barns House, it's been a hell of a term. As the 2nd term comes to a close, the Barns house family can look forward to a good rest after a long and difficult winter sports season, and taxing exam session.

Right from the start of term, the Barns house boys have been hard at work, trying to find the balance between work and play. The 2nd term is always a highlight for a College boy; Friday night shouts and tossing your basher in the abyss as College puts more points on the board. It's a time where boys build camaraderie and compete as brothers against their local rivals.

This is where we learn to love and respect the Red Black White. However, term 2 can be a silent killer when it comes to academic results. To be a success at College, one needs to find the balance between work and play. One needs to be independent, self-disciplined, and driven; as well as mindful, patient and responsible... Traits that we, the Barns family, strive to embody.

Some boys are better at this than others and find it easy to find the balance. However, others find it a lot more difficult. If you didn't achieve what you wished to achieve this term, perhaps it is time to reflect upon your

actions and efforts this term. What did you learn and what can you improve on?

Congratulations to those that participated in the Blazer Display on Reunion Day... It's the best I've seen in years. And well done to all the boys that tasted victory over Reunion. You did us proud, boys.

I would like to commend the Barns boys on their resilience, commitment and hard work this term. You have yourselves; Barns house and College proud. I wish you all a wonderful and restful holiday. Come back feeling rejuvenated and ready to tackle the next term.

Simon Brill
Barns housemaster

AWARDS AND RESULTS

2nd term is always a busy time of the year. The Winter sports season is in full swing and boys have to juggle sport, culture, academics and still try and find some time to relax and spend time with family and friends. I would like to congratulate the following boys on finding the balance as they continue to perform at an impressive level. It is fantastic to see the variety of awards this term.

INTERHOUSE RESULTS

Interhouse Hockey, Rugby, and Soccer were completed on the final Friday of the term. Against fierce opposition, the Barns boys displayed impressive character and sportsmanship. It was great to see the boys battle against their mates and have a good laugh.
