**Term 2 - 2024**

## **HOUSEMASTER'S REPORT**

The Second Term of 2024 has been an action packed one. We have had boys fully involved in our Winter Sports Programme whilst also navigating a very congested June Exam period.

The Fuller House boys have had a successful term on the sports field as several of our boys have attained provincial selections.

On the Cultural side of life, we have had a tremendous showing as many of our boys have been heavily involved this term. This was most evident last term with an amazing display by the House in the inter-House Singing and Band Competition.

Regarding our Academic achievements, the results have not been officially released but many of our boys have done very well.

There are still two terms left and I implore the boys of Fuller House to keep on striving for academic excellence in the classroom. There will be plenty of time next term for revision and I hope that everyone grasps this opportunity with both hands.

Next term is the last hurrah for our departing Grade 12's and I wish them the absolute best for their upcoming Trials Exams.

To the boys and families of Fuller House I wish you all happy holiday's and I look forward to seeing you all next term.

**Yours Sincerely**

**Mr Timothy Orchard**

# OUR HOUSE

**K Searle** for consistent achievement in the Cycling team in Term 2.

**GLR Jordan** KZN Youth Wind Band.

## Farewells:

This term we say farewell to two long serving members of the Fuller House Staff, Mrs Leigh-Ann Moffatt and Mr Shaun Sinclair this term.

**Mrs Moffatt** has been my Deputy-Housemaster since 2020. She has been invaluable in assisting me over the years and her calm presence has certainly been appreciated by the boys of the House. Mrs Moffatt leaves us for the leafier climes of St Annes where she will be teaching Mathematics. We wish her well at her new school and are certain that she will always be a part of us.

**Mr Sinclair** has been the mentor teacher for U4 and the 6<sup>th</sup> Form tutor. He has always given of his best and always had the boys interest at heart. The matric boys certainly gained some much needed insight from him over the years. He leaves us for the corporate world and we wish him all the best in his new venture.
