# HOUSEMASTER'S REPORT

The inter-house competition has been an exhilarating journey, filled with fierce competition, camaraderie, and an unyielding spirit of sportsmanship. Over the past few months, students from all houses have showcased their talent, determination, and unwavering commitment to their respective teams. On the last day of term 2 the boys came together to compete in the final competition of the term. The competition was fierce. The houses went head-to-head in hockey, rugby and soccer. Each house demonstrated exceptional teamwork, leadership, and skill, making every match an electrifying spectacle.

Other highlights of the term included the fantastic exchange of young men from Pretoria who arrived at College to demonstrate their skills on the sport field. It was one of our largest exchanges ever and was a fantastic display of inter-provincial sportsmanship.

Another highlight was certainly the much-anticipated Reunion weekend. For both the 5-year College veterans in 6<sup>th</sup> Form, as well as our youngest gentlemen in 2<sup>nd</sup> Form, this day will certainly rank high in their memories for decades to come.

Special thanks and appreciation go to Mr Mazibuko who held the fort for L5 whilst Mrs Singh was on leave.

The term ended with the Mid-Year Examinations, and I am sure that our boys are eagerly anticipating the release of their results.

Term 3 begins on 9 July and promises to be another busy and opportunity filled one. We hope and pray that your sons find the holidays restful and rejuvenating and that you are able to spend some quality time with them before the new term begins.

Pro Aris Et Focis.
