Term 2

2024

HOUSEMASTER'S REPORT

Term 2 has been a busy period for Pape House. Our boys participated in rugby, hockey, and soccer, representing their teams with pride and dedication. Their commitment to these sports has been evident in their performances and team spirit.

In addition to sports, our boys were engaged in numerous cultural activities, showcasing their talents and contributing to the vibrant cultural life of the school. These activities provided them with opportunities to develop their skills and broaden their horizons.

Academically, Term 2 was significant as we had our half-year exams. The boys approached their studies with focus and diligence, striving to achieve their best possible results. The effort they put into their academics was commendable, and we look forward to seeing their continued progress.

Overall, Term 2 was marked by a balance of sports, cultural engagements, and academic responsibilities. The boys of Pape House have shown resilience and dedication across all these areas, and we are proud of their achievements. As we move forward, we encourage them to maintain this level of commitment and continue to strive for excellence in all aspects of their school life.

Sincerely
Meiring Kritzinger
Housemaster Pape House
