TERM 3 2024

HOUSEMASTER'S REPORT

Brent Dodd.

A term of accolades. Spectacular achievement for a House that is speed climbing its way up the rankings. Special mention goes to Tristan Saville who has been awarded National Protea Colours for Bass Angling. Thirty-nine merit certificates were handed out to other boys in the House for achieving excellence in all areas of the school the most for any House this term. New leadership roles for all seniors in the House will be rolled at the beginning of term two for each individual to have a chance to exercise the precious life skills of management, accountability, efficiency and what it is to be followed by those younger than them. It is impossible to even begin to mention all the extraordinary achievements of all the boys this term, but here are some of the highlights.
