

Merchiston Preparatory School Michaelmas Cricket Festival 2024

CRICKET
Fever

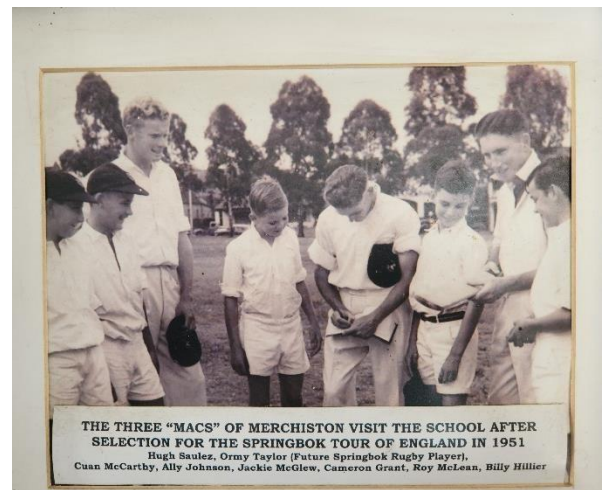

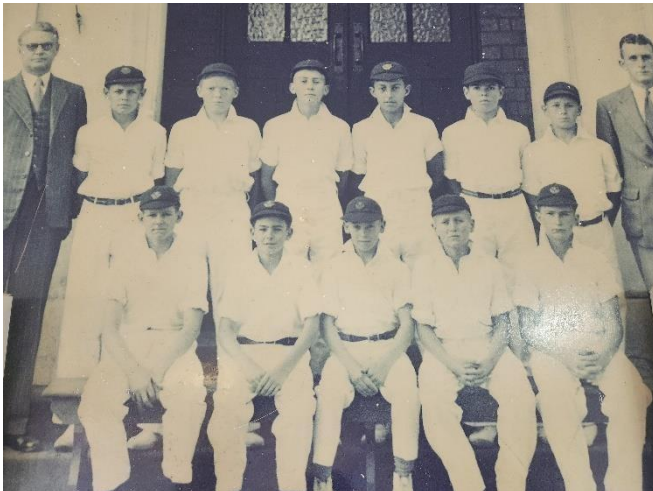

Welcome note

We would like to welcome everybody to the Merchiston Michaelmas Cricket Festival. We are delighted to host the boys, staff and parents to this festival for the second time.

Merchiston is a school with a deep and glamorous history of cricket. 81 years ago, Jackie McGlew, Roy McLean and Cuan McCarthy all played in the same Merchiston 1st team. All three went on the play for South Africa in the 1951 tour of England.

This photo of the 1943 Merchiston 1st Cricket team had three players that went on to play for South Africa on the same tour of England in 1951.

CG Halse (1963) DT Lindsay (1963) TG Shaw (1986) JN Rhodes (1992) KP Pietersen (2005 - England) J Anderson (2012 - Ireland) are other Merchiston Old Boys to have played International cricket

We are delighted to host this festival and we trust that the experience for the boys, coaches and parents will be an enjoyable one. We wish all participating teams the very best for the cricket and know that good friendships, sportsmanship and positive camaraderie will prevail.
