OUR HOUSE

Lamond House Term 3

It brings me immense pride to share the remarkable achievements and contributions of our boys in Lamond House during this term. Their dedication, commitment, and enthusiasm have shone through in various aspects, making it a memorable term for our house.

Interhouse Activities

Our boys actively participated in various interhouse activities. From novice debaters to budding squash prodigies, Lamond House showcased its diversity of talents. It was heartwarming to witness our boys embrace these opportunities to grow and improve. They not only competed but also learned valuable life skills such as effective communication, teamwork, and resilience. Our boys' dedication to honing their skills and representing our house with grace and dignity is commendable.

Interhouse Plays

A true standout this term was the interhouse play. Our boys poured their hearts and souls into this endeavor, dedicating endless hours to produce a marvelous and spectacular performance for all to enjoy. Their hard work paid off as Lamond House secured a well-deserved 1st place in the competition.

Academic Achievements

Our Grade 12 students recently completed their trial exams, marking a significant milestone in their academic journey. I am extremely proud of their dedication and commitment to their studies. As they now prepare for the final push towards end-of-year exams, I have every confidence in their abilities. The academic achievements of all our students, across all grades, have been commendable, reflecting their hard work and determination.

HOUSEMASTER'S REPORT

After what seemed like a lifetime ago, I find myself writing another newsletter. This comes at the back of what was a term of mixed emotions for everyone. To start off with our fearless leader Ms Moula has been out of action for the last two weeks due to health reasons. Ms Moula has been a fortress for Lamond and has literally led us to the number one spot of House competitions. We wish her all the very best as she will be taking care of her health for some time. I will be taking care of the house in the interim. Please continue to direct all matters to your mentor teachers.

We are extremely proud of the boys who have put in work at inter house competition. Special mention goes out to the boys who directed our house play (A Matshoboza & S Sithembu) - leading the house to the number one spot and earning themselves a director's award at the recent sport and cultural awards.

One has to also mention the hard work put in by our house leaders and teachers over the last few months in galvanising and encouraging the boys to participate and support our house.

S.Siwila

THE BOYS

C Mason – Lamond

We are also very proud of our very own C Mason. Maritzburg College's 1st XI cricket captain, Chad Mason, has had an outstanding start to the season, the leg spinning all-rounder leading his team with distinction.

In both T20 festivals that College has participated in, Mason has been a standout performer. His excellent contributions to his team helped College reach the final in the recent One Insurance Eston Night League, where he was awarded Best Batsman and Player of the League for his contributions with both bat and ball.

Mason carried that momentum into the Ram St Johns Harare T20 Festival, where he emerged as the leading wicket-taker and one of the top run scorers, ultimately being named the tournament's Most Valuable Player.

With 905 runs and 41 wickets already under his belt this year, Mason is on the verge of an incredible achievement: the rare double of 1000 runs and 50 wickets in a calendar year.

His commitment and performances have been key to College's success this season, and there's no doubt he'll continue to shine as the year progresses.

SPORTS AND CULTURAL AWARDS

Director's Award **A Matshoboza & S Sithembu**

Greenhalgh Cup for Most Valuable Basketball Player **LM Dlamini**

Oscar Servant Trophy for Best All-Round Cricketer in the 1st XI **CI Mason**

In conclusion, I am incredibly proud of the boys in Lamond House for their exceptional achievements and contributions this term. They have demonstrated outstanding sportsmanship, dedication to academics, and a commitment to our house's success. As we move forward, let us continue to build on our achievements and work towards creating a sense of belonging that strengthens the bonds within Lamond House. I have every confidence that the upcoming term will be equally rewarding and filled with success.

Thank you to all the students, staff and parents who have supported Lamond House throughout this term. Together, we will continue to shine as a beacon of excellence and unity.
