## Crafting solutions to meet relevant risk exposures

### Scope of Cover

Accidental injury occurring:-

- on the school premises and related residential facilities;
- whilst travelling to and from school and any school endorsed activity by a reasonably direct route;
- whilst participating in any activity organised and supervised by the school;
- whilst in after-care centres registered and recognised by local authorities;

### Criteria

- It is important to note that this is not a medical scheme, and this cover is not a substitute for or the same as that of a medical scheme or membership of one. This is a personal accident insurance policy providing personal accident cover only as a direct result of an Accident resulting in Bodily Injury
- Period of Insurance is from 1st January to 31st December
- Limitation of death benefit in respect of minors: Benefit payable in respect of death is limited to that allowable by legislation
- Benefit in respect of medical expenses is limited to expenses incurred within 24-months from the date of the incident subject to warranty
- Successive periods of Hospitalization or Medical Treatment due to the same accident will be treated as one event and the Insured Person's claim will be limited to the Benefit Amount stated in the Schedule
