

MARITZBURG COLLEGE

ACADEMIC ENRICHMENT PROGRAMME 2025

The Academic Enrichment Programme is designed to offer academic support to learners, in several subject areas at the school. All sessions are **free of charge, and registers are taken**. Entrance into the programme is based on **work ethic and need**. If a learner has trouble in a particular subject, the first step is for him to approach his **subject teacher**, who will provide suggestions and strategies to assist him. There is also a variety of resources available on Moodle and MS Teams. Boys should be **responsible** and **accountable** for their own academic performance and must take active steps to address areas of difficulty.

FORM 2
