2. Should you never have been married to the other biological parent and they do not play a part in the child's life for whatever reason (excluding 1. above), the following applies according to the SA Schools Act:

 - You are required to provide the absent parent's current information (surname, names, ID, telephone number and address) in the application form.
 - However, if you **do not** have the absent parent's current information, a single-parent affidavit **must** be completed and uploaded with the application form.
