**AOD: 01 September 2025**

Responsibilities will include and not limited to

- Manage the daily operations of the library, including cataloging and maintaining library resources.
- Collaborate with teachers to develop and deliver library lessons and support student research,
- Select and acquire new library resources, including books, digital media, and online databases.
- Technology Integration: Integrate technology into library services, including online resources, digital literacy, and educational software.

Minimum criteria:

- Bachelor's degree in Library Science, Education, or related field.
- Experience working in a school library or similar environment.
- SACE registration.
- Excellent communication and interpersonal skills, ability to work with learners and educators.
- Knowledge of library management systems, digital resources, and educational technology.

If you are suitably qualified, please click on the following link to apply: <https://www.surveymonkey.com/r/XX3ZGY5>

**Closing date for all applications: 18 July 2025**

Should you not have heard from us by **25 July 2025**, please assume that your application has been unsuccessful, and no further correspondence will be entered into.

Maritzburg College in line with POPIA will attempt to ensure the confidentiality of all applicants for this role. All reasonable measures will be in place to protect personal information but will be used in the recruitment, selection, and reporting process. By submitting your application for this position, you are recognising and accepting this disclaimer.

Maritzburg College reserves the right not to make an appointment. An application does not entitle the applicant to an interview. While all applicants will be considered based on their merit, the school encourages applications from underrepresented candidates.
