Term 2

2025

HOUSEMASTER'S REPORT

Term 2 has been a dynamic and rewarding time for Pape House, with our boys excelling across a wide range of school activities.

On the sports field, our boys proudly represented their teams in rugby, hockey, and soccer. Their enthusiasm, teamwork, and determination were clearly visible in both their performances and the spirit they brought to each match.

Beyond sport, Pape House has been actively involved in the cultural life of the school. From music and drama to debating and other creative pursuits, our boys have continued to explore and showcase their talents, enriching the school's cultural fabric and growing as individuals along the way.

Academically, this term marked the important milestone of our half-year examinations. The boys rose to the challenge with focus and discipline, and their efforts reflect their growing maturity and commitment to their studies. We are proud of their diligence and look forward to seeing the results of their hard work.

Overall, Term 2 has been a term of balance, growth, and achievement. Whether on the field, on stage, or in the classroom, the young men of Pape House have shown great resilience and dedication. As we head into the second half of the year, we encourage them to keep striving for excellence and to continue building on the strong foundation they have laid.

Sincerely
Meiring Kritzingner
