## HOUSEMASTER'S REPORT

### Pape House Term 3 Report

As we reach the end of a very busy third term, I would like to reflect on the efforts and achievements of the boys of Pape House.

This term has been filled with activity, with the winter sports season drawing to a close and a number of inter-house competitions taking place. I am especially proud of our Tennis, Table Tennis, Squash and Shooting teams for their excellent performances, which have lifted Pape House on the overall leaderboard. With only Academics and Leadership still to be decided, the competition for the Winning House remains very exciting.

A true highlight of the term was the Inter-house Play. The boys of Pape House participated with great enthusiasm, and the evening was a wonderful showcase of their creativity and talent on stage.

I want to thank every boy for his willingness to contribute to house events and for the positive spirit shown throughout the term. The example set by our seniors continues to inspire the younger boys, and this sense of unity remains one of our greatest strengths.

As we head into the holidays, I encourage all of you to enjoy a well-earned break. Rest, recharge, and return ready for the final stretch of the year. Term 4 brings the last push towards fulfilling your academic responsibilities, and I am confident that Pape House will finish the year strongly.

Sincerely,  
Meiring Kritzinger  
Housemaster, Pape House

## Term 4

Looking ahead to next term. Term 4 is always a very short and often a stressful time of the year for the boys. The main focus will be on the upcoming exams. Study hard and do not waste any time. Start preparing as soon as possible and remember to ask your teachers for help.

Enjoy the holiday!
