

## Snow House Newsletter. Term 3 2025

Snow House achieved a number of successes this term. We are currently sitting high up on the Leader Board with a number of successes still to be tabulated. As a house we won the Brian Edwards Cup for Hockey and the Freakes Shield for House Cricket.

Snow House would like to honour our Head Boy, Amahle Hadebe, who also served as House Captain during the year. His welcoming and support of the Borvers in their first encounter with College went a long way to in calming their nerves and making them feel a part of the College Brotherhood. Since then he has delivered numerous speeches where he has inspired, encouraged or admonished the boys as the occasion demanded. He has led decisively both within the House and in the larger arena of the school. We look forward to seeing what he achieves in the future.
