

## MARITZBURG COLLEGE

### ACADEMIC ENRICHMENT PROGRAMME 2026

The Academic Enrichment Programme is designed to offer academic support to learners, in several subject areas at the school. All sessions are **free of charge, and registers are taken**. Entrance into the programme is based on **work ethic** and **need**. If a learner has trouble in a particular subject, the first step is for him to approach his **subject teacher**, who will provide suggestions and strategies to assist him. There is also, a variety of resources available on MS Teams. Boys should be **responsible** and **accountable** for their own academic performance and must take active steps to address areas of difficulty.

The AE Programme is structured to accommodate boys' sport and cultural commitments.

- AE days for juniors (Forms 2 and 3) are on Tuesdays and Thursdays
- AE days for seniors (Forms 4, 5 and 6) are on Mondays and Wednesdays
- It is **compulsory** for boys who have FAILED a subject or are on the verge of failing to attend AE classes. He is obliged to attend for the entire term, even if his marks improve.
